## **User Story**

As a User,I want to have a Library card so that i can borrow books from the library

04

as a librarian, i want to add new books to the library's collection so that they can be available for borrowing

02

as a librarian, i want to remove books to the library's collection so that users can easily find books they are aterested in.

03

as a librarian, i want to display books to the library's collection so that we can keep the collection up-todate
